Safeguards Health
of The Children

Constipation, or inaction of the bowels, is a great menace to health. Cathartic or purgative remedies should never be given to children as the violence of their action tends to upset the entire digestive system. A mild laxative is far preferable, and the combination of simple laxative herbs with pepsin known as Dr. Caldwell's Syrup Pepsin, and sold in drug stores for fifty cents a bottle, is highly recommended. This preparation contains no opiate, narcotic, or habit-forming drug of any description, is mild and gentle in its action, and brings relief in an easy, natural manner. Its pleasant taste appeals to children and they take it readily. Thousands of mothers have testified to the merit of Dr. Caldwell's Syrup Pepsin, and in countless homes it is the standard family remedy. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 458 Washington St., Monticello, Ill., note.

It calls up thoughts of cooling shades and spring-fed brooks.

DISTRIBUTORS66TH CONGRESS
WILL BE SCENE
OF EARLY FIGHT

(Special Star-Bulletin Correspondence.)
WASHINGTON, D. C., Oct. 24.—Discussion of a Democratic plan to have the country organized on the zone system for political purposes has been promoted among politicians. The Republicans declare that in spite of the assertion that politics would be abandoned during the war, the Democrats are already getting under way for the congressional campaign of 1918.

The great fight will be for control of house and senate in the 66th congress. Although war is on, it is growing plain that both Democratic and Republican leaders next session will play for political advantage. Republicans, who came within a few votes last year of capturing the house believe they will be able to go in by a strong majority. Democrats will make a strong fight to prevent any such occurrence.

Democrats are not greatly disturbed over the senate. They realize that it will be necessary to keep a strong hold on the country to prevent further reduction of the majority of 15. The deaths of Senators Lane of Oregon and Huston of Wisconsin, Democrats, has caused some apprehension. Senator Lane, a Democrat, was succeeded by a Republican and the chances are good that a Republican also will succeed Senator Huston.

PRESENTATION OF
THEME WILL TAKE
FORM OF A TRIAL

A dramatic presentation of the theme, "What Does the Church Offer Her Young People Today?" will be given at the meeting of the Fourth Educational Council at Central Union church tomorrow evening. The program will take the form of a trial, with Russia, Japan, Armenia and India representing two-thirds of the Orient; New England, France, England, and Hawaii, representing two-thirds of the Occident. Robert Brown, attorney for the plaintiff, appearing against Young America, with Urban E. Wild, attorney for the defendant. As both these young lawyers are able orators, the program promises to be most interesting. Dr. J. H. Williams will sit as judge in the case.

Preceding the trial a benefit supper will be served at 6 o'clock in the parish house for which a charge of 35 cents a plate will be made.
